

**APPLICATION FOR PRIVATE SEWER OPERATION/MAINTENANCE AND
OVERSIGHT AGREEMENT**

The undersigned is requesting authorization to connect to and/or operate a private sewer within the City of Philadelphia and hereby is agreeing to maintain said private sewer in accordance with all state and local law including all applicable provisions of the Philadelphia Code and any related regulations thereto.

The undersigned understands that failure to maintain said private sewer in accordance with all state and local law including all applicable provisions of the Philadelphia Code and any related regulations thereto may result in enforcement action by the City of Philadelphia including suspension of water service.

Along with this application, the undersigned is submitting: (1) documentation verifying that the undersigned is the owner of said private sewer or has legal right to connect to and/or operate and maintain said private sewer; and (2) documentation demonstrating how said private sewer will be maintained in accordance with all state and local law including all applicable provisions of the Philadelphia Code and any related regulations thereto.
